Wednesday, July 22, 2026	10am	Garden Pals
Wednesday, July 29, 2026	10am	Butterflies & Birds

Summer Reading June 17 - August 21, 2026

1. Sign up for [Beanstack](#) - or you can use a paper tracking form if you prefer. You can also download the Beanstack Tracker app for android on [GooglePlay](#) or for Apple products at the [App Store](#).
2. Read, Listen to an Audiobook or use [Tumblebooks](#) - minutes count for all of these!
3. Log your minutes reading and into Beanstack to earn badges.

Summer reading is for everyone! We encourage all ages, 0-109 to participate.

Read anything you want to read! Listen to an audiobook. Read to someone else. Those that are not reading on their own yet can count the time someone else reads to them. The person reading can also count those minutes.

Remember to check CreativeBug for plant and garden related projects to do at home!
