

Back by popular demand – Buy a Brick!

This is your last chance for courtyard bricks!

We are happy to announce that your wishes for another opportunity to buy a brick have been granted. Between now and March 31, 2019, you can put your message on a brick for only \$100. Preserve your family name, honor the memory of a loved one, recognize your business, or give a lasting gift to someone special. Bricks will be engraved in the summer of 2019.

Proceeds from the brick sales and ongoing fundraising will be used to put these finishing touches in place:

- Acoustic panels throughout the library
- Window and baseboard trim
- Window coverings
- Navigational and donor recognition signs
- Brand panels
- Courtyard furnishings
- More reading chairs and tables

The Main Library combines 21st Century technology with the very best elements of traditional libraries, creating a welcoming space that connects people to information and each other. It's an accessible, community-oriented facility that reflects our county's deep commitment to children, education, and lifelong learning.

"On we go!" –Cecil Elder

Lake County Libraries provide inviting community spaces to nurture young readers, explore stories and information, and connect with others. Our SIRCLE of values – Service, Integrity, Respect, Community, Learning, and Excellence – drives every action we take to satisfy our mission.

What's coming next?

The Library Building Committee is pursuing donations from donors such as you as well as grant funding to complete the interior of the Main Library building in 2019.

Your support for our new Main Library will create an enduring legacy for Lake County – a library that will enrich and strengthen our children and communities for generations to come. Special naming and donor recognition opportunities are available.
