Help restore the book* budget!

We need your help!

Due to a downfall in tax money for FY 2019-20, and rising expenses, we had to reduce our budget drastically for books, magazines, and DVDs to check out.

Books for Adults

Our spending for books for adults has been cut by 2/3 from about \$9,500 to about \$3,000. We need about \$6,500 to restore it to last year's level.

Magazines & Newspapers

Our spending for magazines and newspapers has been cut in half from \$3,000 to \$1,500. We need \$1,500 to restore it to last year's level.

Movies & TV Shows

Our spending for movies and TV shows hasn't been cut, but we need an additional \$1,000 or 100 gently used DVDs to achieve our goal of increasing the DVD collection by 10%.

Total Needed: \$9,000
